

This year, give the gift of Thanksgiving to foster kids who are learning to support themselves!

First Place for Youth serves older foster kids, ages 18 – 21, who don't have a family of their own to help them learn the skills necessary to be responsible adults. First Place helps these kids coming out of high school continue their education, find their first job, and get a safe place to live, as a family would.

Thanksgiving is a time of excitement and struggle for the young people that we serve. While they may not have many existing family ties, they have the excitement of making their first Thanksgiving meals in their new apartments. However they often struggle to afford the ingredients that are necessary to make a whole meal with all of the trimmings.

You can help provide these young people with a Thanksgiving dinner grocery bag by donating the items needed for a home-cooked Thanksgiving meal! **

Here's what we need for each bag:

<ul style="list-style-type: none">• Box of macaroni & cheese• Box of mashed potatoes• Can of gravy• Can of green beans/corn• Can of Chicken Broth	<ul style="list-style-type: none">• Can of pumpkin pie filling• Can of sweetened condensed milk• Pie crust in pie tin• Can of Yams• Can of fruit

**** We aim to have 60 full grocery bags available to give out to the young people the week before Thanksgiving. All items would need to be dropped off on the Tuesday, November 14, 2017, 11am – 3pm.**
